

# Your Trusted Assessor & Self-Serve Remediation Specialist in the Trusted Partner Network (TPN)

Elevating Content Security Standards Across the Entertainment and Media Industry

## WHO WE ARE

- As a certified assessor within the Trusted Partner Network, Edge is committed to upholding the highest standards of content security, as established by the Motion Picture Association.

## CONTINUOUS IMPROVEMENT

- We stay updated with the latest amendments to MPA Best Practices and industry trends to provide you with the most current assessment.

## WHY CHOOSE EDGE

- Expertise**  
Leverage our deep understanding of industry-wide security requirements to enhance your content security.
- Efficiency**  
Our assessments are designed to be both time-efficient and cost-effective, providing you with the most value.

## OUR SERVICES

- MPA Content Security Best Practices Assessment**  
We evaluate your current security measures against the industry's best practices to ensure you meet the minimum security preparedness.
- TPN Security Assessments**  
Our comprehensive assessments measure your organization's security posture, helping you align with MPA Best Practices.

## ASSESSMENT OPTIONS

- On-Site Assessments
- Remote Assessments
